	News Story	Governor Jim Doyle on the future of Wisconsin's SeniorCare program. SeniorCare is Wisconsin's landmark prescription drug program for low-income seniors. Since the passage of the Medicare Part D prescription drug benefit, the future of the program has been in jeopardy, with the federal government threatening to eliminate the program by ending its waiver as early as January 1, 2006. According to a state analysis, for 94 percent of the 90,000 seniors participating in the program, SeniorCare is a better deal than the Medicare Part D benefit	10/11/05	5:00PM	45 Seconds
